Dear Mr. Weisberg,

The delay in answering your letter will be explained by the following:

Please, read your copy of your letter of October 12th and ask yourself if it has an iota of coherency. I not only have no idea of how I offended you but, of course, have no idea of how I could rectify the situation.

In sum, I might be sorry or apologetic if I knew what you were questioning. As it is, I have no apologies for running my program as I do: Without guests or undue statements of expertise.

Sincerely,

Bob Menefee
